

**Department of Radiology
Physician Liaison Program
Fall 2010**

Objective: The Radiology Physician Liaison will be available for referring physicians as a link to bring forth comments, concerns, problems, and/or suggestions to improve facilitation of healthcare provided by the Department of Radiology, NorthShore University HealthSystem.

- Uday K Mehta, MD will serve as the lead and key contact. Dr. Mehta has been with the department since the fall of 2002 as an integral member of the Body Imaging section.
- A dedicated email address has been created for communication, radmdlaiison@northshore.org. Emailed communication will be acknowledged within 48 hours. Our goal is to have a personalized response within 7 business days.

Department of Radiology At A Glance:

- 49 subspecialized physicians
 - Neuroradiology
 - Breast Imaging
 - Body Imaging
 - Pediatric Radiology
 - Musculoskeletal Imaging
 - Interventional Radiology
- Access to physicians at all four hospitals
